Jillian Janson entered the adult industry while still at school, lost her innocence, and as she puts it... "I didn't start getting noticed until I became a dirty little slut."

SINFUL: Thank you for the interview, what kind of girl were you like growing up?

Jillian: I grew up with something Minnesotans call, southern hospitality. Whether it was learning on my own how to be patient and polite to anyone for any reason. My mother didn't have much of that or when my father was actually around in my life, he and my grandparents would make sure I used my manners. That's where I learned what I do. Looking back now I realized a lot of my life lessons came from them telling me stories ever since I was five. I wasn't really a shy girl, but I kept to myself a lot and just took the whole world in by listening and acknowledging the things people like and dislike. Now I get along better with teaching others, now that I've had some experience understanding reality over the last few years. I also learned that being a genuine person that knows how to hold her own as an independent woman, who is friendly to everyone, will get you a lot farther in life than being bossy, snobby, or just plain rude.

SINFUL: Is it true you got in the adult industry while in high school? Tell us about that?

Jillian: Yes, in fact it is. I am to this day extremely busy, but I am finding time to go to school online. You can go at your own pace yet still get the same benefits. However, this isn't how I had it all planned out. I did want to go to college and get a degree in something but was just so unsure. I was hanging out with guy friends who happened to introduce me to a web cam site that eventually got me interested in doing more within that field. An agent reached out to me. I did some research. Then I

flew out to California the summer that school let out junior year to shoot. I was only there two weeks before my classmates found out about what I did that summer. I made it passed the homecoming dance before I started getting bullied. I couldn't take the heat like I had a few years before when classmates found out I slept with my best friend's brother, and everyone turned against me. Unfortunately that put me in an unrecognizable state with myself that I will never return to. That's why I decided to make a living of this and said f u to the haters.

SINFUL: So what exactly had you done on screen while you were still at school?

Jillian: The first week going out there I had a magazine shoot with Barely Legal, and worked for multiple companies starting off right away with BG scenes that eventually led to my curiosity of exploring woman. I had Solos, GG, and BG. I knocked out probably 10 scenes on my first trip to California, with companies like Amateur Allure, Fucked Hard 18, and Reality Kings!

SINFUL: How did everyone at school find out?

Jillian: A scene came out with realitykings.com shot by Greg Lansky at the time, and it happened to be the main site everyone watched in school. I had shot the scene in my first two weeks of being involved in the industry. It came out on Pornhub. Considering I had been watching porn on the hub for over four years, I figured my classmates did too! It was either that or the one friend that I told went behind my back and told someone I didn't trust, who then told the entire school.

SINFUL: You must have had the boy's crazy for you and the girls very jealous at school?

Jillian: I never thought of it that way. For a little while I was curious why popularity worked the way it did. The girls were always so pretty and got all the attention. I didn't start getting noticed until I became a dirty little slut. I took getting talked about in school to a whole new level, especially when guys started conversations with me, wanting to know when I lost my virginity and how. The girls talked and asked me questions to, but I always figured it was to mock me. I wasn't the most attractive or as fashionable back then as I am now, so I guess they were just shocked that the guys wanted to know more about me instead of them.

SINFUL: You shot your first porn scene at only 18 years old, barely legal, what was it for? Describe what you were feeling, the nerves, the set, and how it all turned out?

Jillian: My first legit Porn scene I believe was a POV with Amateur Allure and the photographer that I happen to know and I am friends with to this day, Ray. This kind of starts off as a funny story, because I didn't realize until it was video time, meaning after makeup, paperwork, and pretty girl stills, he told me he was the talent. I was expecting someone else to walk in the door, because that's usually how it works. You meet everyone on set, and then the male performer comes last. So I asked what a POV was and he told me "point of view." That's the day I learned what it meant (laughs). I loved the chemistry we had, thought he was cool, and he made me feel amazing! He later started dating a beautiful performer friend in my agency who I love and admire so much, Aidra Fox. If they are still together I'm unsure. They were sure adorable though! Just like her, I am always sexual. I didn't get how to pose or anything correctly for the camera right away. It took a few sets to understand how each company functions, but each time I was on camera and there was something going on I was aware of certain things that people usually don't figure out for a few months. I learned what worked best for me.

SINFUL: Did you watch porn before you got into the industry? What was your favorite type of porn?

Jillian: Absolutely. I used to watch it every day, even in school if I could. I would always find myself skipping over the regular sex stuff since I was already receiving that in my real life. I wanted to watch stuff I was too cautious to do. I would go straight to the lesbian category or the bondage/BDSM. I still absolutely enjoy those, but of course now I prefer to be involved!

SINFUL: You've got the beautiful face, hot body, amazing ass, what's one time in your life you used your sex appeal to get something?

Jillian: I may intentionally or unintentionally get what I want by being genuinely courteous and polite, which generally will get me or anyone pretty far in life, but what's not to say that I've gotten a warning a few different times for smoking weed somewhere I shouldn't and people will pass it off because of my personality or I'll come up with the excuse why I medically need it. I've also had the advantage of my boobs or booty getting me stuff for free. I can't complain!

SINFUL: What gets you wet, what gets you horny?

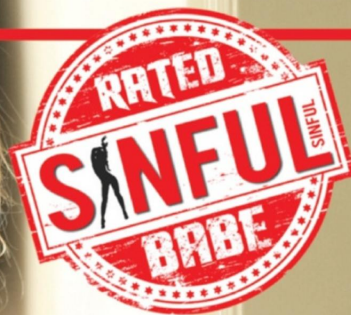

Jillian: I love an attractive person on the inside out. You can be the sexiest person alive, but if you're inconsiderate, I won't like you. I would rather have sex with the guy that is unattractive but knows what I like and how to turn me on. I think confidence is sexy and so is experience and knowing what someone wants. I like when people play hard to get sometimes too. It makes the experience more interesting.

SINFUL: At what age did you lose your virginity? Is there a story behind it?

Jillian: I was 13. It wasn't really the way I had planned my first time to go, in fact it wasn't my intention at all, but it happened and all I could do was hope that the second time would be much better. The guy didn't care about my well being whatsoever. He just wanted to stick it in and get what he wanted. So the next time it happened, my boyfriend at the time treated me with love and care, so I decided to claim him as my official first. He was good too, but that's because he didn't do much. It was all my efforts as I rode his big 8 inch cock. I made him cum too quick to try anything else!

SINFUL: Were you a wild girl after that?

Jillian: Yes I definitely was and still am!

Jillian
JANSON

“
I made him

”

SINFUL: What's the best sexual experience you have ever had outside of the film world?

Jillian: I went to a music festival with a good friend of mine from the industry. We had amazing sex at his place in our personal time, especially when he would tied me up and make me orgasm countless times, so we wanted to do it to someone else. It was more entertaining to me when we involved another girl that hadn't experimented much with another girl by having an amazing threesome during one of our experiences at this event. All I can say is we rocked her world!

SINFUL: Kinkiest place you've had sex?

Jillian: In the back of a pickup truck in an alley, but it wasn't much sex, it was mainly a foot job, but I let him stick it in for a minute!

SINFUL: Best thing about being a porn star?

Jillian: I get to be myself, create my own schedule, and explore the world while exploring people that get to explore me!

SINFUL: Worst thing about being a porn star?

Jillian: People judge us instantly, especially if they're religious. Give us a chance to help you understand we aren't dirty people. In fact we happen to be a lot cleaner than the general population. We get tested every two weeks. How often are you having sex and getting checked up?

SINFUL: You do quite a bit of anal scenes, do you love anal and what is it you love about it?

Jillian: Yes I absolutely love it! I also love the fact that I swore at the beginning of my career that I would never do it. Within a few weeks after that I said maybe I'd give it a try. Then in another month I was a full blown anal expert! It feels incredible to me and there's something so kinky knowing that someone is about to put his hard cock in a sacred hole. It's not for everyone, but when the right guy is filling me up, feeling every inch of it in my anal canal allows me more pleasure than my pussy. There's too much extra space in there to get lost I've always said. The tighter and narrower the better, for any sized cock.

SINFUL: You've done double penetration, does it hurt or is it pure pleasure having a cock in each whole?

Jillian: A lot more pleasurable for me. However, when both holes are filled you completely forget about all that "extra space" the cock pushed in the ass pushes the walls of your pussy even tighter allowing the second cock to push into a very small, but fulfilling hole.

SINFUL: You've done an interracial anal scene with a big black cock, is big cock something you prefer or doesn't size matter?

Jillian: For me size doesn't matter, because I can do something with any size. I know what and how to pleasure people besides just having sex or doing oral. A lot of people like to be turned on by being slowly caressed all over their body, especially me. I can give a sensual hand job and most likely get him going without him having to even touch me. Most of the time I'm sure to get a lot out of a big cock, but they can also wear me out too, making things very uncomfortable.

SINFUL: What is it you think that people love about interracial porn?

Jillian: My favorite is the contrast between the two colors. It turns me on seeing nothing except a white booty then all of a sudden there are black hands groping it and making it do spectacular things! I think I love the "wow" or "whoa" factor everyone has when they see my video of Rob Piper and I doing it in the butt with his massive black cock or any video with a BBC! I think people truly enjoy being curious which is the main reason they like it. They always ask me if I really did it that big, if it hurt, how I could handle it, etc. Let's face it. Most of the IR porn the men have enormous dongos (laughs). It's great for all of us, unless you're racist and discriminate.

SINFUL: On screen, is there something you haven't done yet, that you'd like to do?

Jillian: A lot! I want to dive into the world of being dominant and experimenting more with girls. The one thing I won't do for a long time, if at all, is gangbangs.

Jillian
JANSON

Jillian
JANSON

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Jillian: I've had a childhood crush on Channing Tatum. He's got amazing moves as a stripper. I'm pretty sure he'd know how to turn me on, lay me down, and seduce me.

SINFUL: For any person reading this who hasn't seen you perform, what's one scene they gotta watch?

Jillian: My Just Jillian Showcase by Jules Jordan. It has a little bit of everything in it including threesomes, a blow bang and my first double penetration!

SINFUL: What's your favorite sex position?

Jillian: My all time favorite position is doggy. I love that I can just bend over and take it anywhere on anything, but I prefer it in a bed facing flat on the mattress with my booty arched up so he can dip his cock in an out of my now tighter pussy, since closing my legs together makes for a better experience! The best thing to do to make this even better, rubbing my clit and licking my neck all the way to my ear!

SINFUL: How about a tip for our female readers, what's the secret to the perfect blowjob?

Jillian: Take your time. Good eye contact. Use lots of spit. Listen, watch, feel what's making him go crazy or what isn't and improve. If he's breathing hard and heavy, stick with whatever you're doing and don't stop!

SINFUL: What do you have a weakness for?

Jillian: Girls with natural bodies. No work done at all. I love getting turned on by being caressed and lightly tickled. I love when a guy or girl puts their lips on my ears and neck.

SINFUL: What's the weirdest or creepiest thing a fan has asked for or asked you to do?

Jillian: A guy wanted to do another dude in front of me on webcam. To be honest I have watched a lot of girl-on-girl, but not guy-on-guy. I think it would be interesting to experience.

AliceX.com Issues Proclamation Regarding VR Masturbation Practices

AliceX.com is changing the way men and women masturbate. The virtual reality (VR) webcam service has given its users 10 tenets to follow in order to enjoy the new VR experience it has created with maximum pleasure.

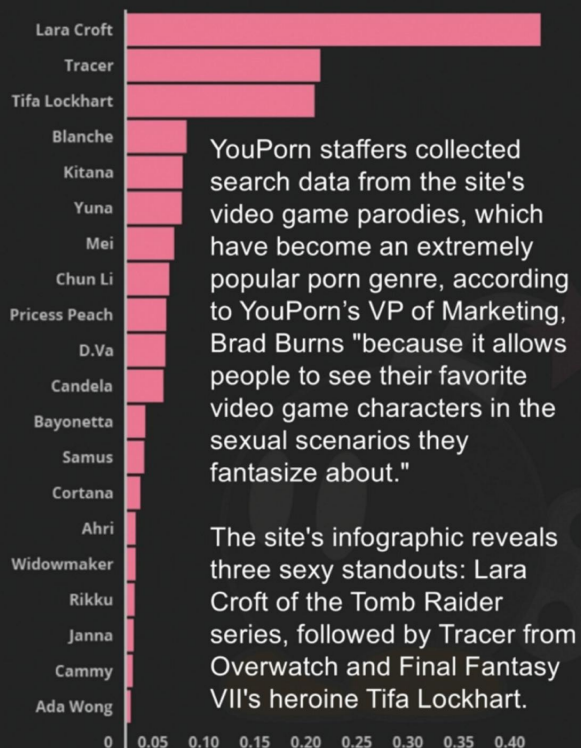

- 1) Don't Be Cheap with Your WiFi - There are some things in life worth splurging on, and high-speed internet is one of them... at least if you're going to properly enjoy VR, whether camming or streaming video.
- 2) Make Sure the Headset or Phone is Ready - Charge your phone beforehand. You can also have it plugged in while watching. Defog the headset (Jaws Quick Spit works best) and clean thoroughly as well.
- 3) Lock the Door - Having a VR headset on leaves the wearer more vulnerable than a baby pig alone in the middle of a Texas BBQ competition. Locking the door becomes more imperative than ever.
- 4) Memorize Your Environment - They used to say masturbation will make you blind. Well, the user should treat VR masturbation as if they preparing for life without sight. It's imperative for users to memorize the distance to the essentials, such as Kleenex and lotion, so they can grab them when the time comes.
- 5) Remove Distractions - Turn your phone to "Do not disturb." Make sure no one is coming over to visit any time soon. Close the windows. Basically, do anything

that prevents real world noises from ruining your VR enjoyment.

- 6) Stay Away from the Leather - No matter how prepared you may be for your climax, it's impossible to keep things completely clean when you can't see. The VR experience is best when not enjoyed on expensive furniture.
- 7) Invest in a Male Masturbation Toy - If you're a guy, it may be a good idea to invest in a sex toy like a Fleshlight. Besides feeling amazing, it will help with cleanup.
- 8) Forget Everything - All the rules above, all the rules of society, all obligations...forget them all. The point of virtual reality is to get out of the reality the user is in, and release some stress by being transported to into a much sexier reality.
- 9) Enjoy the Moment - With the headphones plugged in, the Flashlight working its magic, and the wearer's eyes delighted at what they see, users shouldn't forget to lean back in the chair and enjoy a pleasurable break from reality.
- 10) Bust Out the VR Light - Maybe you don't need to go to this extreme, but when you're all done with your alone time, triple check everything, including your clothes! And if you're are considering going out, it may be best to change.

SINFUL: Thank you for the interview, So how did you get into the porn industry?

Bridgette: As most Spanish Doll fans would know, the industry got me in the most natural and raw of ways. I wish I could say that my story was as dramatic as an E! True Hollywood Story, but it was a mere case of supply and demand. I wanted a career I was good in, the career wanted a performer who could perform, the rest is history.

SINFUL: Why porn? What was it about that industry that got you hooked?

Bridgette: You are doing one of the least spoken about natural human functions on camera in a society that least speaks about it. We are all naturally "hooked", some of us are just lucky enough to make it a career.

SINFUL: You were a feature dancer, now a pornstar, what's the craziest thing anyone has offered you?

Bridgette: Actually, other way around. I was about less than a year into the industry, when I then started to feature dance. I remember the days when the DJ would announce my bio and name and no one at the club had any idea, it humbles me today to have such a huge fan base come out and support me on the road. It really means so much to me. As far as the craziest thing anyone has offered me? I don't think I bring that out in people (laughs). I have been so respected and if anything, most are terrified to even say hi to me, so offering me anything hasn't even happened (laughs).

SINFUL: You're about to shoot your first sex scene, what's going through your head?

Bridgette: Finally.

SINFUL: What were you doing prior to the adult industry?

Bridgette: Making my way through the concrete jungle.

SINFUL: You got the great body, gorgeous face, what's your background?

Bridgette: First off thank you for compliments! I appreciate that coming from a child who was made fun of practically her entire childhood!!!! I am of Spanish nationality.

SINFUL: Those tits, they're amazing, what size are they?

Bridgette: They are their own amusement park it feels like, even still, amazes me how they should have their own instagram!!! I am a 32DDD, 32F, 32E, and whatever the particular lingerie line thinks I am.

SINFUL: Do you ever sit back and watch yourself on screen?

Bridgette: Honestly, I wish I could so I could improve as a performer. However, I've left it up to just be as natural as possible, while doing what I have to do for camera.

SINFUL: Describe yourself in one sentence?

Bridgette: A complex woman can never describe herself in one sentence.

SINFUL: Best thing of being a pornstar?

Bridgette: Having an outlet to experience things one might have gotten to experience without the industry.

Bridgette B

WorldMags.net

www.sinful-mag.com

SINFUL: Worst thing about being a pornstar?

Bridgette: You get paid to entertain on camera doing something that feels fantastic and is natural, what could possibly be bad???

SINFUL: Is there a sexual fantasy you have yet to fulfill?

Bridgette: Absolutely, but some fantasies are not meant to fulfill.

SINFUL: Who is one celebrity that you'd love to do a fuck scene with?

Bridgette: I have always been a fan of old Hollywood glamour, so someone during that era of the Frank Sinatra, Marilyn Monroe, JFK era would be sexy.

SINFUL: What's your favorite sexual position?

Bridgette: The human body is not generic. It is full of individuality, so depends on my partner. Our chemistry together dictates my favorite sexual position unique to them.

SINFUL: A guy is about to blow his load, where do you want it to land?

Bridgette: The floor, if I am in a hurry!

SINFUL: What gets you horny, what gets you wet?

Bridgette: Foreplay to me is the best.

SINFUL: What are your turn offs?

Bridgette: Between bad breath, bad toes, etc. I can get pretty picky.

SINFUL: How about a tip for our female readers, what would you wear to seduce a man?

Bridgette: Seducing a man starts not with what you are wearing, but his mind. I believe when a man feels wanted, you could be in dirty gym clothes, and he will still want to have sex as soon as you walk through the door. Life gets in the way so much, kids, finances, home, dogs, etc. Forgetting that your man needs to be cared for as well is often overlooked.

SINFUL: What do you have a weakness for?

Bridgette: Strength, ambition, and well fitted suit.

Bridgette B

SINFUL: Now a tip for the male readers, how does a guy bring up or convince his girl to do a threesome with another girl?

Bridgette: Don't. If she doesn't bring it up, just watch it on the internet and enjoy her. Let her bring it up or you will never live it down.

SINFUL: What 3 things can't you live without?

Bridgette: I am very self-resilient. I can make a bed out of a tree trunk if I ever have to, that is just the kind of woman I am.

SINFUL: What is the weirdest thing that ever happened to you on set?

Bridgette: I fell in love...

SINFUL: Have you ever said no to a movie?

Bridgette: Absolutely, the why isn't important. It could be for something ridiculous, but I choose.

SINFUL: Is there something you haven't done yet on screen that you'd like to do?

Bridgette: Tons!! That's the fun part.

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Bridgette: Bridgette B. is a woman to dream about and be entertained by, she loves the ability to empower couples and woman all over the world to feel free about their desires and sexuality, and take control of their bodies... the real me, is shy and rather not know!

I am a 32DDD, 32F, 32E, and whatever the particular lingerie line thinks I am.

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Bridgette: I have been fortunate to have a fan base of those who truly respect me as much as I respect them. When you meet me you realize I am not someone to fuck with, so crazy or creepy doesn't even come a thought, Bridgette B. fans know better.

SINFUL: What in store for you in future?

Bridgette: Life is meant to be lived to the fullest, whatever that means to me at the moment I will pursue. I am beyond excited and prepared for the unknown.

SINFUL: What's the best way for fans to contact you?

Bridgette: Comment me at IG on: thespanishdoll and twitter: lamspanishdoll. Social media is meant to show appreciation and act with maturity and respect. I personally advocate to spread kindness; and bullying, slutshaming, inappropriate DMs will never be allowed on any of my social media outlets. I appreciate the support from all fans who have continued to respect me as a human being, not just a pornstar. Looking forward to continued sexy times... lots of hugs and big boobie kisses!! xoxo Bridgette B.

Some of the most amazing feelings in any relationship are the sense of belonging, appreciation and worth. Therefore, to keep the spark alive and avoid allowing your spouse to feel used or abused, embrace the following after an exciting body-touching and back-arching moment.

5

Things You should do After Sex

A photograph of a couple in a spooning position on a bed with white sheets. The person in the foreground is wearing white lace underwear. The person behind them is partially visible, with their hand resting on the first person's hip. A semi-transparent grey box with text is in the upper right corner.

1. Cuddling / Spooning

This is a great way of communicating in a non-verbal way to say you enjoyed the moment and savoring it. It is also a way of strengthening the relationship.

5

Things You should do After Sex

2. Stay Awake

Sex is work and after having a glorious moment, it is very easy to get carried away and fall asleep immediately. Resist such temptation. Your partner will feel as though you never enjoyed the moment.

3. Turn the Telephone Off

One of the most disastrous things any couple can find themselves doing immediately after sex, is to be having causal talks on the telephone. Use the time to learn more about each other.

4. Keep the Conversation Brief

Post-sex is about enjoying each other's company and feeling relaxed and respectful. It should not be seen or felt as if you are being grilled for a top tier management position.

5. Avoid criticizing

It is quite natural not to perform a hundred percent effective at all times. However, in the event this happens, resist making mean comments; this can damage your relationship even to the point of separation.

Your relationship can be great, but you both have to want it and work towards greatness by doing what is noble.

**Madelyn Monroe is one of those pornstars
that has it all. The SIZZLING body, the
STUNNING face and the SWEET personality.**

SINFUL: Thank you for the interview,
Give us a little background about
Madelyn Monroe?

Madelyn: I grew up in Seattle, moved to
Los Angeles when I started my Porn
career at 18. I grew up in a great home;
I was in Christian school until I was 17,
when I transferred to public high school.
I grew up very involved in the church,
and was always a believer in Christ, but
I was always curious to sex, and being a
little 'wild child'.

SINFUL: What do you like most about
the porn industry?

Madelyn: What I like about the porn
industry is I am able to live out my
sexual fantasies and desires, in a
SAFE environment. It also allows me
to explore sides of my sexuality that I
haven't known before. It allows me to
be sexually free!

SINFUL: When and how did you lose
your virginity?

Madelyn: My virginity story isn't all that
exciting. Growing up in a Christian
school and family, I had a purity ring.
I thought I'd be saving myself for
marriage. Clearly that didn't last very
long. When I was in high school my
girlfriends and I loved going to local rock
shows. We were basically wanna-be
groupies. I met some guy who worked
for the band, we got drunk, and had sex
on top of a bunch of boxes of t-shirts. I
don't really remember much about it,
or know the guys real name (laughs), I
just remember the band he worked for
walking in mid-sex, and handing us both
a congratulatory Budlite... I was 16!

SINFUL: What were you like sexually
after losing your virginity?

Madelyn: After losing my virginity, my
vagina was swollen and I had to ice it all
day while trying to hide it from my mom!
I was definitely very promiscuous. Going
to local shows and meeting older men
who'd show me an ounce of attention
was my jam. I think I only had sex with
a few people who were actually my age.
Growing up I was boy crazy. My life
revolved around getting their attention,
and getting them to like me. Once I
realized what the fuck sex actually was,
I loved it. But sex for me over the years
has definitely changed.

SINFUL: What were you doing prior to the adult industry?

Madelyn: I had always had a job. I went to private school where a lot of the kids were filthy rich. Designer everything. My family was wealthy, but not compared to the kids I went to school with. So when I turned 16, I started working at a popular clothing store. I was money hungry; I worked full time while I was still in high school. I started shooting porn when I was 18 and the toll it took on my family had me in and out of the business. I would be shooting porn, but working full time in Seattle as a bikini barista. It was my favorite job, still is. I would get to dress up in sexy lingerie/costumes every day, bring home tips, work on my own, and have regulars who brought me presents... it's probably one of my favorite jobs I've had.

SINFUL: You're about to shoot your first fucking scene, what's going through your head?

Madelyn: I honestly don't remember. I shot my first scene over 7 years ago. I remember being like, "is this real? Am I really getting paid for this?" because I was just having so much fun. I was 18, in South beach, making more money than I'd ever seen, and the company I was working with made everything so fun and comfortable for us. I believe I moved to Los Angeles a month or two after shooting my first scene.

SINFUL: You're absolute stunner, serious hottie, what's one time in your life you used your sex appeal to get something?

Madelyn: A few years ago I was up in Seattle, my home town and my girlfriends and I were downtown club/bar hopping. They go to check our IDs and notice that my girlfriends is fake (under age), they weren't gonna let her in.. Then I shouted "IM A PORN STAR LET MY FRIEND IN", the security looked at me all crazy, and said prove it. I googled my stage name and showed him the proof... needless to say he let my girlfriend into the club. Taking dick on the internet has its perks.

SINFUL: Do you love anal and what is it you love about it?

Madelyn: I wouldn't say I love anal... and 85% of girls who say that they love it are lying to you. Don't get me wrong, anal feels fucking awesome, but all the preparation that goes into it is so horribly draining and exhausting, that it makes me hate it (laughs). When I'm booked for an anal scene, it can be a 72 hour prior process.. I have to eat light 2 days before, and eat next to nothing on the day before, and NOTHING on the day of. Can you imagine trying to do your job on basically 3 days of no food, enemas, and stretching your asshole? Anal feels fucking awesome, but the prep, the things it does to your body over time... nobody's going to end up loving that shit (No pun intended).

SINFUL: You've done double penetration, does it hurt or is it pure pleasure having a cock in each whole?

Madelyn: Honestly I would rather do Double penetration than a regular anal scene... and I believe a lot of other women in my industry would agree. It feels **FUCKING AMAZING**. It's almost as if the dick in your pussy is distracting you from the dick up your ass. Double penetration also hits your g-spot from two angles.

SINFUL: You've done the gangbang thing, what's it feel like having men all around you taking turns trying to fuck you?

Madelyn: Doing a Gangbang was one of my all time fantasies. It honestly was pretty awesome. I honestly wish I could of had more say in my gangbang (just to fulfill my own sexual fantasies), but I loved doing it! What woman doesn't want to be the center of attention in a situation like that?! Like I said earlier, I've always had this craving for male attention and affection. Being fucked by 3+ men at the same time... that's a whores dream.

SINFUL: What's the one movie or scene you've done that you would recommend our readers to watch?

Madelyn: One of my favorite scenes is with James Deen, it was an anal scene for Chris Streams. It was the first time I worked with James, and I was such a big fan of his, I let him have his way with me. I just wanted to impress him, and I think it shows.

“ I love to be verbally abused while being fucked. ”

SINFUL: Do you ever sit back and watch yourself on screen?

Madelyn: There are certain scenes in my career that I watch.. Scenes that I actually enjoyed. Most the time I don't watch my own scenes because I am definitely my worse critic. I just look at myself and most the time I'm thinking, "what the fuck was I doing". But I have to remind myself I basically grew up in Porn. I started shooting scenes when I was 18... I was so fucking sheltered from the world, and was so young. You can literally watch me grow up and evolve in my scenes. I'm getting better (looks, wisdom, and fucking) as the years go on. So a lot of my old scenes I don't like to watch. I just see a young girl who doesn't know shit, but now, I see a warrior... a slutty warrior (laughs).

SINFUL: You've taken some big black cock, what do you think it is about interracial porn that turns people on?

Madelyn: If I'm honest, people are just fucked up. A) they don't think a white woman should be having sex with a black male, so that taboo turns them on. And B) they like to see smaller woman "destroyed" by large cocks. To me, dick is dick. I don't judge or see people for the color of the skin. And honestly it's not even the black guys that watch interracial porn. It's mostly middle aged white males that prefer interracial porn... which is funny because most of them are racists, but love watching black men fuck. It must be a jealousy/insecurity thing... sorry if that wasn't the answer you're looking for (laughs).

SINFUL: Describe yourself in one sentence?

Madelyn: A sarcastic asshole, with a great sense of humor and pretty pussy (smiles).

SINFUL: Are you a dominant or submissive person outside the film world?

Madelyn: It depends on my partner. I like to be more submissive, I don't like to be in charge unless I have to (smiles).

SINFUL: Best thing of being a pornstar?

Madelyn: FREE STUFF. Send me shit off my wishlist (smiles).

SINFUL: Are you a dominant or submissive person outside the film world?

Madelyn: It depends on my partner. I like to be more submissive, I don't like to be in charge unless I have to (smiles).

SINFUL: Who is one celebrity that you'd love to do a fuck scene with?

Madelyn: Probably Justin Bieber, because he has a big dick, and it would boost the fuck out of my career (laughs). Is that fucked up? Wait don't care (laughs).

SINFUL: What's your favorite sexual position?

Madelyn: I don't have one favorite, so I'll give you a few... Missionary, Doggie, and Cowgirl.

SINFUL: How often do you masturbate?

Madelyn: I literally masturbate minimum 3 times a day... the Hitachi has made me lazy and has put most men to shame (laughs).

SINFUL: A guy is about to blow his load, where do you want it to land?

Madelyn: "A guy" is different. If I'm in a relationship with someone, caught up in them, I want them to cum inside me... that is so hot to me. Just the thought of this person that I adore so much, who's fucking me, inside me. I think I've done 2-5 cream pie scenes in my 7 years of pornography, before I realized how special that shit is to me. If it's just a casual fuck or scene, I want it in my mouth! I wanna taste every drop! You can tell a lot about someone from the way their cum tastes!

SINFUL: What gets you horny, what gets you wet?

Madelyn: I love a lot of dirty talk.. Honestly, I love to be verbally abused while being fucked. I love to hear how much of a whore I am! Something about dirty words that gets my pussy wet (smiles).

SINFUL: What are your turn offs?

Madelyn: I don't have many... guys who try too hard, and untrimmed pubic hairs. I wanna put your whole dick in my mouth, but I'm not gonna do that when you've got a dick full of bush (smiles). Same goes for Vaginas (laughs).

SINFUL: How about a tip for our female readers, what would you wear to seduce a man?

Madelyn: Every man is different. I know my boyfriend says he likes me best in my workout clothes, or my hair pulled back in a baseball cap. Find what your man loves and play it up! If your man is a diehard football fan, get your ass online, get his team's themed lingerie, and suck his dick after their big win... wifey status.

SINFUL: Now a tip for the male readers, how does a guy bring up or convince his girl to do anal?

Madelyn: Us bitches love anything bright or sparkly... get her a cute ass butt plug. You can't just be like "let's put this dick in your ass." Ease your girl into anal. Toys and prep are so necessary. You don't want to just shove your dick in her ass, have her be in pain, hate it, and ruin your chances of ever getting in there again. Just Take it slow, get her a cute butt plug or two... play with toys. Then slip a molly in her drink and see if she's down for anal! Just kidding... kind of (laughs).

SINFUL: What do you have a weakness for?

Madelyn: I'm very hard on myself. I'm never good enough for me. I honestly don't care about other people's opinions about me, because my own are worse (laughs). I also am very short tempered. I've always been that way, but this past year or so I've finally realized how my behavior is so destructive to not only to my career, but myself. I'm getting better at recognizing this, Every year I get a little better. And progress is all you can hope for.

SINFUL: What 3 things can't you live without?

Madelyn: Oh easy. iPhone, Drybar, and BEER!

SINFUL: Have you ever said no to a movie?

Madelyn: Yes multiple times... you should always say no to something you are not comfortable with. I'm not gonna do a scene with someone that I know is not gonna have any chemistry, or some scenario that's going to make me uncomfortable.

SINFUL: Does size matter?

Madelyn: I wanna say no, but it does. I could not date someone whose dick was small. Not all women are like that though, but if you don't have size, get real good at eating that pussy!

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Madelyn: Shit in a toilet so they can eat it.

SINFUL: What is the weirdest thing that ever happened to you on set?

Madelyn: It was more traumatizing than weird. My agent had booked me with a scene for a Japanese company. Only one person on set spoke English. But it was agreed upon beforehand that I was open to a "rape theme" scene. I have shot for multiple Japanese companies before. Anyway When I showed to set, one person spoke English. They tied me to a chair (I won't do bondage without untrained rigger). The director told me they were gonna act "creepy" and try to scare me then I would get fucked, and I was totally cool with it. So I'm tied to this chair (not properly tied by the way which can cause nerve damage), the scene begins, they start acting weird and creepy as they said. Before I know it there's saws, knives, and other aggressive weapons centimetres away from my pussy, face and tits.... I yelled cut and started screaming to be untied, and nobody would untie me because of the language barrier.

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Madelyn: It's super flattering. The other day someone wished me happy birthday and said "thank you for all the countless times you've made me cum", and I literally said "aweeee" out loud. I mean what am I doing all this shit for if I'm not helping people get off?

SINFUL: What in store for you in future?

Madelyn: Retirement is near. I'm getting old in porn years and I'm ready to start my new business adventure. But I wouldn't trade my time in this industry for nothing, it's definitely helped shape the strong woman I am today.

SINFUL: What's the best way for fans to contact you?

Madelyn: They can find me on twitter MadelynXMonroe and on Instagram MadelynMonroeXO.

SINFUL: Thank you for the interview, how did you get your start into the adult world?

We can say that due to circumstances of live, I started doing webcam when I realized that I had guys interested in not just my looks, but in my talents on screen as well. I applied to some companies like kink, tras500, shemaleyum, but it took a year before I got a reply, by that time I had already made my way and had built a name in the webcam scene. I knew it was time to hit the actually industry and do some porn videos that will have my fans wanting more.

SINFUL: You're absolutely stunning, gorgeous face and that perfect body, are people surprised when they find out you're transsexual?

Jessy: Sometimes, for the people that are not use to know who I am, when they find out I am a TS they get very surprised.

SINFUL: The popularity for transsexual porn is soaring at the moment, what is it you think that men love about transsexuals?

Jessy: It depends; there are many reasons why men like tranny porn. Some love to see girls with big dicks and then imagine that this time the girl that is going to take care of them, some love to see a transsexual taking a big dick and man often imagine they are the ones doing the fucking. Regardless what the deal is one thing is for sure, Tranny porn is becoming a very successful industry.

SINFUL: When did you realize that you wanted to transition into a girl?

Jessy: I always knew I wanted to be a girl, but it was at 15 years of age that I decided to transition.

SINFUL: At what age did you lose your virginity and how did it happen?

Jessy: I can't give you details because I was a minor, and the guy I did it with was somewhat older. What can I say, yes I was a slut since I was young (laughs). I can say that the first time I had sex I used a condom, even for oral, due to the advice my dad had given me.

SINFUL: You're about to shoot your first sex scene, what's going through your head?

Jessy: I was nervous, but very excited to be in a recording set. I think my professionalism kicked in, that all I could think was how cool the lights and all the props they had, which made me feel so much like an actual actress. I knew it was my time to shine, so I told myself no time to think, it's time to perform. Let's work bitch.

SINFUL: What were you doing prior to entering the adult industry?

Jessy: I worked at McDonalds, and done waitressing too... that's why I say sucking dick in porn beats the heck out of waitressing.

Jessy Dubai

Jessy Dubai

SINFUL: Favorite type of porn you like to watch?

Jessy: I like guy on guy orgies, 3ways, FTM, girl on guy, especially if it's amateur. It's hard to watch porn when it's my friends fucking on screen (laughs).

SINFUL: You've got such a sexy exotic look, what is your background?

Jessy: I am Mexican, little bit of a mix with Colombian, but I'm a proud Mexican.

SINFUL: Do you watch yourself on screen? What does it feel like?

Jessy: Well I have to when I edit my videos, and even sometimes when I am having sex, I play one of my movies. What it feels like? Well see I am very judgmental of myself so when I see myself on screen, I focus on the beginning of the film, I watch and analyze my acting, but once the fucking begins I look away because I judge myself a lot. All you can hear is OMG I look kid that when I do this? Why do I sound like that?? And on and on (laughs).

SINFUL: Which has been your favorite scene you've done?

Jessy: That has always been a hard question because my newest one always replaces the previous one.

SINFUL: Describe yourself in one word?

Jessy: Unbreakable.

SINFUL: Best thing about Jessy Dubai?

Jessy: The best thing is that Jessy Dubai is an independent woman. She has the body of a hot Colombian like Sofia Vergara, the intelligence of Salma Hayek, and the charisma and booty of JLo.

SINFUL: What's the best sexual experience you have ever had outside of the film world?

Jessy: I am very wild in my sex life outside the industry, too many experiences to say which one was the best, however my ganging with 7 guys for Valentine's Day this year was great. I called all my sex boy-toys, I asked them to get tested at cutting edge or talenttesting.com which are the places I trust most. They all did, so that weekend I had a fuck all party to celebrate.

SINFUL: What's a sexual fantasy you have yet to fulfill?

Jessy: I want to be surrounded by guys, girls, and FTM guys all fucking each other for me, while I watch and jump in the action as I feel like it.

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Jessy: For a guy I will have to say Ryan Reynolds, and if it's a girl I would say Angelina Jolie.

SINFUL: What's your favorite sexual position and why?

Jessy: Doggystyle because that's the position that works for me when I need to devour a huge dick. But if I want to be romantic, missionary is always a second choice. I like to get cum dumped in my ass while I'm being kissed.

SINFUL: What is the weirdest thing that ever happened to you on set?

Jessy: Everything!! (laughs), doing porn is always weird.

SINFUL: Three things fans don't know about you?

Jessy: I am pretty much an open book, just a bit hard to read. Some of my fans don't know that this year I am making custom videos, 1 on 1 cam shows, and that I am a safe sex advocate.

Jessy Dubai

SINFUL: Is it exciting knowing that men all around the world masturbate over you?

Jessy: It is, but is also disturbing when I wake up in the mornings and the first thing I see in my DM is a bunch of pics of guys cumming on pics of me or my face, and videos of it while they are doing it. It's exiting, but also feels like that's all I'm good for. Sometimes it's depressing.

SINFUL: A guy is about to cum, where do you want it to land?

Jessy: Depends, if he is my man he can cum anywhere, but if it's a

hook up, one night stand or for work, I rather have them cum in the condom, or on my boobs or somewhere far from my genitals. Safety precautions.

SINFUL: Have you ever said no to a movie?

Jessy: Yes lately I had to decline many work proposes. Because I can't travel at the moment, but as soon as I can, Jessy Dubai is coming back and harder than ever.

SINFUL: What in store for you in future?

Jessy: Oh boy... right now I am fighting a legal battle, but as soon as I clear this misunderstanding,

I want to retake my career in the acting industry. But this time I want to keep working on mainstream opportunities, like when I was on SHOW TIME 'Ray Donovan show'. I want to cross to mainstream and follow my dream as an actress. For the mean time I am living my life in my home town Denver Colorado, making custom videos for sale, cam shows and work more on my YouTube channel.

Skyler: Crazy and promiscuous.

SINFUL: What's a crazy sex story when you were young in your wild days?

SINFUL: What were you doing prior to the adult industry?

Skyler: Camming and stripping.

Skyler: I was 17 when I tried it, I love the way it makes me feel all around my body. I don't feel the orgasm just in my ass, or my pussy. I feel it from my toes to my hands. It's a whole entire body fuck to me.

SINFUL: You've done the gangbang thing, what's it feel like having men all around you taking turns fucking you?

Skyler: Feels like I need more hands, (laughs). But no, I definitely take care of everybody.

SINFUL: You're also into girls, were you always into girls?

Skyler: Yes, I was. Even back in high school, I was more willing to do stuff with girls than guys as well.

“ ...a black girl getting fucked and destroyed by white cocks. ”

SINFUL: What's your preference, sex with a girl or a guy?

Skyler: GUYS. I must have a cock involved. I have to get fucked, a girl can't do that.

SINFUL: Do you ever sit back and watch yourself on screen and what does through your head?

Skyler: (laughs), I do. Like damn that ass, wow that load... Holy shit did I do that?!

SINFUL: Do you watch other porn, and what types do you like?

Skyler: I like hentai porn, but I think that just ties into me liking anime. So who doesn't wanna see there favorite characters get fucked?

Skyler: I have a couple dozen under my belt (laughs).

SINFUL: Do you recommend any scenes or movies of yours for our readers?

Skyler: Depends on what you're looking for. I have a Naughty American scene coming soon that's a must watch. My new twisty shoot was very hardcore, oh and my best anal scene is with Evil Angel Mike.

Skyler: Seeing a black girl getting fucked and destroyed by white cocks, and vice versa for white girls with black men.

SINFUL: Describe yourself in one sentence?

Skyler: Adventures Aries always on a Wild ride.

Skyler: The lifestyle, being able to express yourself sexually without being judged. And having a whole community to just go all out on, and everyone is always excited about sex.

Skyler Nicole

“

*I love having
my ass bounce
on a guy's dick
over and over.*

”

SINFUL: Worst thing about being a pornstar?

Skyler: Sometimes you get so busy in your work that you don't have time for yourself.

SINFUL: Are you a dominant or submissive person outside the film world?

Skyler: I'm a switch. Mostly dominant towards women, and bitch boys, but if your dick has me calling you daddy... you got me.

SINFUL: Who is one celebrity that you'd love to do a fuck scene with?

Skyler: Channing Tatum. Have you seen Magic Mike? Just let me be the chair.

SINFUL: What's your favorite sexual position?

Skyler: Doggy style. I love having my ass bounce on a guy's dick over and over.

SINFUL: How often do you masturbate?

Skyler: Every day, once... twice... maybe three times a day with my Hitachi. It's so addictive.

SINFUL: A guy is about to blow his load, where do you want it to land?

Skyler: I don't mind it to be on my face, but I love it when it's all over my chest so I can play with it.

SINFUL: What gets you horny, what gets you wet?

Skyler: Kissing me, rubbing my thighs, grabbing my ass and jiggling it.

SINFUL: A tip for the male readers, how does a guy bring up or convince his girl to do anal?

Skyler: Ask her if she would be willing to play with butt plugs and fingers in her ass, and then just go from there. Make sure you have a lot of coconut oil.

SINFUL: What do you have a weakness for?

Skyler: Cute smiles, big dicks and hard abs.

SINFUL: Is there something you haven't done yet on screen that you'd like to do?

Skyler: DP (double penetration), but I'm waiting.

SINFUL: What is the weirdest thing that ever happened to you on set?

Skyler: Nothing weird has happened. I had to switch a few male talents, because some couldn't make it that's about it... and I mean their dicks... not them.

SINFUL: Does size matter?

Skyler: No, what you do with it does.

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Skyler: (laughs) Makes me feel accomplished like "yes am I making you horny?"

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Skyler: I had a pair of my shoes stolen during exxxxotic one year, what the hell??

SINFUL: One thing fans don't know about you?

Getting All The Attention

Megan was in a party mood, excitement was running through her as she gave herself one last look in the mirror. She looked hot in her short red dress and heels; she just knew all the guys would be after her tonight. She was going to have fun picking the lucky one who got to go home with her.

She made her way to the dance floor and moved with the music, swaying her body as men started noticing her. She ignored them all, waiting for just the right one to catch her eye, and when he did she smiled at him and went towards him. She danced with him, grinding her body against his while his hands explored her body. Megan noticed a man watching them out of the corner of her eye, and she motioned at him to join them. The three of them moved together, getting hot and sweaty as they focused on each other. They went over to the bar to cool down and the men introduced themselves as Dylan and John. She knew they were what she wanted and asked if they were in the mood for something more fun than dancing.

Megan grinned as she led the men to her bedroom, excitement was rushing through her and there was a dull ache in her pussy. She watched as the men undressed and when they were done, she gave them a striptease, letting her dress fall to the floor then running her hands over her body before taking off her bra. They stared at her, their dicks hardening as she exposed herself to them. She gasped and sighed as she brushed her fingers over her pussy, feeling herself get wet at the touch. She looked at the men, her eyes going to their dick and comparing them as she said "I need a real man tonight, that looks like you Dylan." He was bigger than average and thick; he'd feel so good inside her. She pushed him down on the bed, straddling him as she kissed him while John watched, his hard dick throbbing in the air. Megan

straightened herself up and reached down guiding Dylan's dick into her, moaning as his dick slid past her lips and filled her pussy. John began to jerk off as she began to ride him slowly, her hips rolling as her breasts jiggled. She could see John and she leaned forward, turning her head towards him. "Come here." she said breathlessly and he knelt there as she opened her mouth. He moved closer to her and held the back of her head as her warm, wet mouth covered his tip. She slid down his shaft, swallowing him whole as she relaxed her throat and Dylan rocked his hips up, fucking himself as John twisted his fingers in her hair. Megan got into a steady pace, pushing up and sucking off John then letting him nearly slide out of her mouth as she impaled herself on Dylan's dick. He held her hips as her pussy tightened around him, squeezing his shaft and making him groan as she moved faster. Her clit felt like it was on fire and her pussy gushed as she used the men to satisfy herself. Dylan's fingers bruised her as he gripped her hard and John grunted as he shoved his dick down her throat. She felt him swell and she nearly choked as strings of sticky wet cum shot down her throat. Megan swallowed it down and gasped for breath when he pushed her off him. She braced herself on Dylan's chest and rode him hard and fast, dying to cum as her pussy muscles clenched around him. She let out little cries of pleasure as his dick rubbed past her walls and she fell forward, hair falling in her face as she came hard. Dylan gave a few more thrusts then came a few seconds later.

Megan climbed off him and caught her breath, adrenaline running through her. That had been amazing and she waited for the men to calm down, then said "You guys were great. Hope you're not too tired because I wanna play some more."

“Yes all real. 32DD”

SINFUL: Thank you for the interview, how did you get your start into the porn world?

Alexis: I knew I always wanted to do some time of sexy modeling, maybe implied nude but never thought in a million years I would do porn. 2 days after I turned 18, I went down to Miami for my first completely nude shoot to submit to playboy, playboy was my dream. He was an amazing photographer, still some of my favorite photos. Submitted the photos, never heard back. But I continued to model us using various sites to book jobs and that gave me a good income for awhile and I loved it. Then finally playboy cyber contacted me to shoot and so I did. I finally had my foot in the door with playboy so I was happy. I wanted to try for playmate, but I did not want to sit and wait and not be able to do things because it might ruin my chances of my test for playmate. So I never really gave that a shot, I have no patience, and I was getting bored. So then I met a few people in the adult industry and realized my thoughts on that industry were completely wrong. It was way more professional then I ever thought. So I started with solo, then just went into boy/girl. I still to this day... 4 years later so not do girl/girl. I stick to what I like.

SINFUL: What were you doing prior to the adult industry?

Alexis: I was a hostess and going to school.

SINFUL: Growing up were you a wild girl?

Alexis: Didn't really get wild till high school... but I was more undercover. I was smart. It was usually guys from different schools. If I banged you and you went to my school, you were lucky (laughs). I think I can only think of 4 guys that went to my school, not many.

SINFUL: You've got amazing tits, what size are they and are they real?

Alexis: Yes all real. 32DD

SINFUL: They must have driven the boy's crazy at school and the other girls jealous?
Alexis: Mmm not really. It's hard for people to see what you have with all the dress code rules at school (laughs), but now of course I'm sure they're all jealous.

SINFUL: You've got the full package, beautiful face, hot body, what's one time in your life you've used your sex appeal to get something?

Alexis: I tend to use it all the time, but not over do it. I just use my charm and my adorableness and it works (laughs).

SINFUL: When and how did you lose your virginity?

Alexis: Nothing too crazy. I was 15 I think and it was just with a boyfriend. And we're still friends!

SINFUL: Did you watch porn before you got into the industry?

Alexis: Noooo never watched porn before getting into the industry. If I did it was those spam pop ups on the computer (laughs) and I would freak out!

SINFUL: At what age did you shoot your first porn scene?

Alexis: I was 19.

SINFUL: You're about to shoot your first sex scene, what's going through your head?

Alexis: First boy/girl scene... I was sooo nervous. The guy was great, he led the way the whole time. It went by so quickly I don't even really remember. I just know I was nervous the whole time and I sucked (laughs).

“ *If I banged you and you went to my school, you were lucky.* ”

“...next thing I know his dick is in my ass, but it felt so good!”

SINFUL: Do you ever sit back and watch yourself on screen?

Alexis: I always watch my scenes. Even now so I can see what faces I make, if my moaning is annoying (laughs), I just watch my videos to see what I can improve on.

SINFUL: Name a movie or scene you've done that you would recommend our readers to watch?

Alexis: My HardX scene with Manuel is super hot! Watch that one! I get too happy when I get to do a slutty grown up video (laughs). I always get the cute teeny bopper scenes, and that's not me.

SINFUL: Describe yourself in one sentence?

Alexis: How about one word... carefree.

SINFUL: Best thing of being a pornstar?

Alexis: You're kind of famous to some people. I get to do what others would be so scared to do, and the money.

SINFUL: Worst thing about being a pornstar?

Alexis: Hard To transition to a "normal" job. In porn you're use to such easy quick money. And it can make relationships harder.

SINFUL: Are you a dominant or submissive person outside the film world?

Alexis: Submissive!

Alexis

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Alexis: Channing Tatum, because he's so yummy. And even when he dances, it looks like he would have some moves in the bedroom.

SINFUL: What is your craziest sexual experience you've had outside the film world?

Alexis: I never had sex in some crazy place, but my first anal experience I was drinking tequila for the first time with girlfriends, and later on that night I was having sex with my boyfriend and next thing I know his dick is in my ass, but it felt so good! Well at that moment. The next day I wasn't sure why my ass hurt so bad (laughs)! Then remembered oh yea... Anal (laughs).

SINFUL: What's your favorite sex position?

Alexis: Depends... but doggy if I just want to get fucked. Or spooning if I have a connection with you.

SINFUL: A guy is about to blow his load, where do you want it to land?

Alexis: I love cream pies, but I also love it in my mouth.

SINFUL: What gets you horny, what gets you wet?

Alexis: When the guy wants to tease me before letting me have his cock. Like really tease me, fuck me then go eat my pussy (laughs).

SINFUL: What turns you off?

Alexis: When the guy doesn't care about making sure I'm enjoying it. And bad hygiene.

SINFUL: How about a tip for our male readers, how does a guy bring up or convince his girl to do a threesome?

Alexis: Hmm you know I have nooo idea. If you guys are having fun just dating nothing serious, I mean just ask. For me if I'm serious about you, I'm just not into threesomes. I'm selfish.

SINFUL: What do you have a weakness for?

Alexis: Candy.

SINFUL: What 3 things can't you live without?

Alexis: Phone, Hitachi and steak.

SINFUL: What is the weirdest thing that ever happened to you on set?

Alexis: I blew a guys load onto his own face... Oops.

SINFUL: Have you ever said no to a movie?

Alexis: Yea plenty of times. I just don't do those kind of movies, I don't want to work with that talent, or it's not worth me getting out of bed for (laughs)!

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Alexis: I love it.

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Alexis: Pee in a cup and mail it to him (laughs).

SINFUL: One thing fans don't know about you?

Alexis: That I also do other things outside of porn.

SINFUL: What in store for you in future?

Alexis: I currently do real estate, when I'm not shooting porn. I love it. It's something I've always had a thing for! So if you need a house sold or looking to buy... find me!

FUCKING AN ALIEN

A Martian couple and an Earthling couple have met and are talking about all sorts of things. Finally, the subject of sex comes up. "Just how do you guys do it?" asked the Earthling. "Pretty much the way you do," responded the Martian. Discussion ensues and finally the couples decide to swap partners for the night and experience one another. The female Earthling and the male Martian go off to a bedroom where the Martian strips. He's got

only a teeny, weeny member; very short and very narrow. "What can you do with THAT!?" exclaims the woman. "Why?" he asked, "What's the matter?" "Well," she replied, "it's nowhere near long enough. It'll never reach!" "No problem," he said and proceeded to slap his forehead with his palm. With each slap of his forehead, his member grew until it was quite impressively long. "Well," she said. "That's quite impressive, but it's still pretty narrow." "No problem," he said again and started pulling his ears. With each pull his

member grew wider and wider until the entire measurement was extremely exciting to the woman. "Wow!" she exclaimed as they fell into bed and made mad, passionate love. The next day the couples rejoined their normal partners and went off together. As they walked along the Earthling male said, "Well, was it any good?" "I hate to say it," she said, "but it was really wonderful. How about you?" "Well," he said, "It was the weirdest thing. She kept slapping me on the forehead and pulling my ears all night."

HOLDING UP THE SPERM BANK

A man with a mask on walks into a bank and goes to the desk. He pulls out a gun and points it at the lady at the desk. He says, 'Open the vault skank'. The woman says, 'Sir, this is a sperm bank. We don't have any money here'. The man says, 'Open the vault right now or I'm going to blow your fucking head off'. She opens the vault and turns back to the man and he said, 'Take out one of those jars'. The woman said, 'please sir, I promise you we don't have any money here. This is a sperm bank'. The man said, 'Take out one of those jars right now or I'll blow your fucking head off'. The woman turns, grabs the jar and looks back to the man and he said, 'Take lid off and swallow it'. She looks at him in disgust and pleads to him saying, 'Sir, this is sperm. Please, I'm not drinking sperm. We don't have any money here. Please leave'. The man says, 'Take the lid off and drink it or I'll blow your fucking head off'. So the woman takes off the lid and kicks it back real quick and swallows it with little to no problem then turns to look back at the man and to her amazement he took off the mask and it was her husband. He looked at her and said, 'See! It's not that fucking difficult is it'.

THE TWO FRIENDS AND THE SNAKE

One day these two best friends Jay and Bob were walking down the forest when suddenly a giant snake jumped on Jay's leg and bit his dick, since no one was around for miles Bob called a hospital and told the doctor "Quick Quick I need your help my friend got bit by a snake on his penis" the doctor told him "Son you're gonna have to suck the venom out yourself" Bob asked "Please doctor there has to be another way to get rid of the venom" The doctor says "Sorry there's nothing we can do" So Bob goes running to his friend and when he gets there Jay says with pain "So what did the doctor say?" Bob says "Doctor said you're gonna die".

BE CAREFUL WHAT YOU WISH FOR

There once was a magical genie in a forest in Montana, there was this fat guy walking from the forest after making his wish, later the next day he showed up at work with a 8 inch tall piano player.

His friend asked him where did he get the little man from. he replied, "there is this magical forest down past 5th street", but when you make your wish you have to speak very slowly. his friend asked, "why do I have to talk so slowly?", the dude replies, "do you really think I would really think I wanted a 8-inch pianist to please my wife?!!!"

A female secretary was helping her new boss set up his computer and asked him what word he would like to use as a password to log in with. Wanting to embarrass his new secretary a bit and let her know where they stood, he smugly told her to enter 'dick.' Without blinking or saying a word, she entered the password. She then almost died laughing at the computer's response: PASSWORD REJECTED. NOT LONG ENOUGH!

THE SECRETARY & THE PASSWORD

THE MORE THE BETTER

A Canadian guy, an American guy, a Japanese guy, and a Middle Eastern guy walk into a bar. They all have a couple of beers, and get to bragging. The American guy boasts, "I'm so lucky, I have 4 beautiful children, one more and I would have a basketball team." Not to be outdone, the Canadian guy retorts, "I am luckier than you, I have 5 gifted children, one more

and I could form a hockey team." So, the Japanese guy chimes in with, "Well, I surely have both of you topped. I have 8 children. Just one more and I would have a baseball team." Pausing, briefly, the Middle Eastern guy replies, "Well, I am betting I have all you fools beat. my harem houses 17 wives, one more and I would have a golf course!"

THE NEIGHBOUR

A woman was taking a shower, in the upstairs bathroom, she gets finished and puts on a towel over her. Her husband takes a shower right after her. When the husband walks in to take a shower the doorbell rings. So the woman goes to answer the door... It is there next door neighbor (Stan) she answers the door Stan says " I'll give u \$800 if u drop that towel" so she did and Stan gave her \$800. Stan leaves and the woman walks back upstairs Her husband asks..."who was that hunny" and she says" oh it was just Stan" The husband asks " did he mention anything about that \$800 dollars he owes me?"

OLDER & BALDER

I got a phone call from a gorgeous ex-girlfriend of mine the other day. We lost track of time, chatting about the wild nights we used to enjoy together. I couldn't believe it when she asked if I'd like to meet up and maybe rekindle a little of that magic. "Wow!", I said, "I don't know if I could keep pace with you now! I'm a bit older and a bit balder than when you last saw me!" She giggled and said she was sure I'd meet the challenge! "Yeah", I said, "just so long as you don't mind a man with a waistband that's a few inches wider these days!" She laughed and told me to stop being so silly! She teased me, saying that she thought tubby bald men were cute! "Anyway, I've put on a couple of pounds myself!" she giggled... so I told her to fuck off.
